## ORDER

Based on the decisions of the various academic bodies of the University, Multiple Choice Questions (MCQ) for 20 marks have been introduced in all question papers for all examinations of the CBME batch of MBBS course held on or after June 2024. As per the current practice, the answer key for Multiple Choice Questions for all University examinations under all streams is prepared by the subject expert/scrutiniser, based on which the evaluation is being conducted. It has been noted that when such answer keys are used for assessments, occasionally, cases of discrepancies in the approved answer keys are reported by evaluators affecting the timely completion of the evaluation process. Considering this, the Board of Examinations reviewed the evaluation process of University examinations containing MCQs.

2. The 40<sup>th</sup> meeting of the Board of Examinations vide paper read as 1<sup>st</sup> above reviewed the matter and recommended the following;

1. **To publish the draft answer key of the Multiple Choice Questions of the University examinations on the University website soon after the examination, for verification.**
2. **To allow candidates/faculty to challenge the published answer key, by submitting valid references to prove the same to the University, through the Principals of the affiliated colleges within three clear working days from the publication of the answer key.**
3. **The answer key of the MCQs shall be finalised by the faculty/committee designated for the same giving due consideration to the challenges, if any received.**
4. **The answer key thus finalised shall be published on the website.**
5. **This published answer key shall be deemed as the final answer key and valuations shall be done based on it.**

3. In light of the above, the Hon'ble Vice Chancellor has accorded sanction to implement the aforementioned recommendations of the Board of Examinations subject to the ratification of the Governing Council.

4. Orders are issued accordingly.
