ORDER

The clause 10(k) of the regulations and syllabus of the BDS course issued by the U.O. read (1) above states that “a candidate who fails in one subject except in second year is permitted to go to next higher class”.

The Dental Council of India vide its notification dated 25/8/2011 mentions that “Any student who fails in one subject in an examination is permitted to go to the next higher class and appear for the said failed subject and complete it successfully before he is permitted to appear for the next higher examination”. However, Dental Council of India would have no objection, if the concerned University follows their examination scheme provided in their statute/regulations”.

Considering the decision of the Dental Council of India, the Academic council of the Kerala University of Health Sciences in its meeting dated 29/12/2014 vide decision no: 8.25 has resolved **“to permit II year BDS students failing in any one subject out of the total six subjects to attend the III BDS course. If the student has failed in any preclinical examination in the II BDS course, their clinical posting in the failed subject will be withheld until they pass the preclinical exam in the supplementary examination. The students can appear for third year BDS examination only after passing the failed subject”**.

The decision of the Academic Council is made effective from the result of II BDS Regular and Supplementary Examinations August 2014 declared on 20.12.2014, subject to ratification of the Governing Council.

The U.O. 1st cited stands modified to this extent.
