Order

The surveillance footage of theory examinations conducted by Kerala University of Health Sciences is currently submitted by respective colleges on Compact Discs (CD). Various Colleges have reported difficulties in procuring CDs from the open market due to their limited availability, attributed to the decline in their usage. Moreover, some of the CDs received by the University from the colleges are in poor condition, causing damage to the university computer system and also necessitating such colleges to provide replacement CDs of the footage. This leads to undue delay in the verification process and subsequent actions. The 37th meeting of the Board of Examinations discussed the matter in detail and recommended to probe into adopting other methods like Pen Drives/USB Drives for submitting the examination visuals.

2. The matter was again placed before the 40th meeting of the Board of Examinations vide paper read as 1st above and the Board recommended the following,

1. To Approve Pen drive/ USB drive also as a mode for submitting the visuals of theory examinations to the University.
2. The Pen drive/ USB drive containing the visuals of all the days of a single examination shall be recorded into one Pen drive/ USB drive with adequate memory.
3. When Pen drive/ USB drive is used for submitting the visuals of theory examinations, the colleges shall be permitted to transfer the data of each day of examination to this Pen drive/ USB drive, on the day of the examination itself.
4. This Pen drive/ USB drive shall be sent to the university on completion of the examination i.e., on the last day of the examination along with the answer-book bundle. (The visuals of the packing of answerbooks of the last day of examination shall be sent separately)

3. In light of the above, the Hon'ble Vice Chancellor has accorded sanction to implement the above said recommendations of the Board of Examinations, subject to the ratification of the Governing Council.
